FUNDRAISER

**A PORTION OF THE PROCEEDS WILL GO TO SUPPORT THE
Clark County Youth Hockey**

This year Redline Speedsports has chosen to help support local youth. Portions of the proceeds of the fundraiser will be presented to the Clark County Youth Hockey to help fund their building project.

Clark County Youth Hockey works to make a difference for the kids of Clark County by bringing them the sports of hockey and figure skating along with a Learn to Skate program. For years this program has utilized an outdoor rink and has relied on Mother Nature to make for a successful season. With temperatures flexing from extremely cold to above freezing, they have been challenged to be able to actually use their ice rink and have had to cancel many of their events. They would like to have more control over their ice conditions so they are building a simple arena.

The organization is currently working to put a roof over the rink, build locker rooms, and upgrade their zamboni.

\$30 PER PERSON INCLUDES:

Food, refreshments, beer, 3 games of bowling, music, entry in Grand Prize Drawing

On day of tournament, you must register ½ hour prior to your shift.

If you want to join in the fun but do not wish to bowl, cost is \$25.
